

5th day of  
the Month  
of Flowers.

Mother,  
Father,  
are you  
doing well?

I am on an  
adventure  
in another  
world.

I was  
suddenly  
summoned  
here.

At first,  
I panicked.

And I've  
made  
more  
friends  
in the  
town.

But I've  
got my  
best  
friend,  
Granite-  
chan.

And  
I've  
got  
other  
people  
who  
have  
helped  
me.

Aki.  
Hero.  
Level 5.

GOBLIN  
IS VERY  
STRONG

There are times  
when I get  
lonely or scared,  
but the world  
is full of things  
I've never seen,  
so it's also very  
exciting.

I bought a diary  
in town today.

If I lose it, it will  
magically come  
back to me.

Afterward,  
at the  
blacksmith—

—I will  
write a  
lot, so I  
can tell  
you  
every-  
thing  
when  
I get  
home!

—I wonder  
what I'll see  
tomorrow..

of Flowers.

Chicks are  
huge.

Chicka (adult).  
18 meters tall.  
Recommended  
party level 70.

Granite.  
Mage.  
Level 13.

Aki, don't  
space out!

Maybe, born  
as chickens,  
but when they  
grow up,  
they're all  
gonna call  
chickens.

Mother, Father,  
I think I ate a  
fried one of  
these earlier.

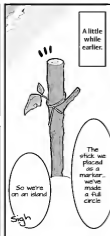

A kraken?  
Recommended  
party  
level 15.

While  
hunting  
drill shells,  
we were  
attacked  
by a  
monster.

Kraken?  
Recommended  
party  
level 15.

And then  
another...

A little  
while  
earlier.

The  
stick we  
placed as  
a marker...  
we've made  
a full circle

So we're  
on an island

Sigh

Darn!

I didn't  
expect  
something  
like this...

Guess  
we can't  
get back  
with this  
boat

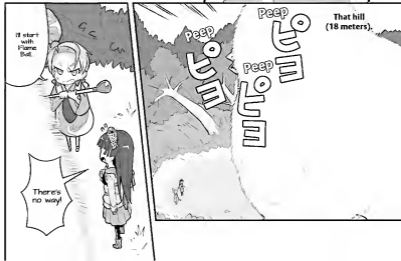

I can't  
see the  
continent.

We were  
floating  
for 4-5  
hours

We're lucky  
we didn't  
get wiped  
out

We  
somehow  
managed  
to beat  
them,  
but got  
washed  
out into  
the open  
sea and  
drifted  
ashore...

Did you  
enjoy that  
tragic?

It's pretty  
weak, but  
it likes to  
call its  
companions

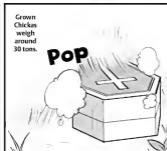

Yeah.

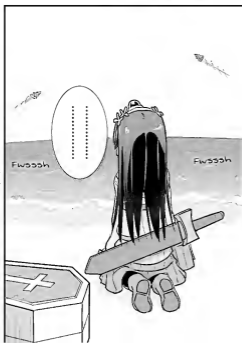

-Py-

They are very  
friendly and  
extremely  
curious.

Grown  
Chickas  
weigh  
around  
30 tons.

I've killed  
you so  
many times.

I've told  
you this  
before,  
but  
you're  
way too  
careless

What?!

Can I stay  
with you until  
we get home?

Eheheh

Yeah!  
I feel  
better.

You  
okay?

After coming  
here, I was  
afraid of people  
and more afraid  
of monsters. I thought  
everything  
was scary..

But you  
cheered  
me up,  
telling me  
that I could  
get back  
home

In my  
world,  
I was  
needy,  
always  
wanting  
attention  
from my  
parents  
and  
friends

I just  
gave you  
some  
money  
once

You've  
cheered  
me up  
twice

?

Wasn't  
nearly  
enough  
then..

Just that  
there was  
someone  
nice  
enough  
to listen  
to me

It made  
me so  
relieved  
I could  
cry

Hmm.

Kyaaaah?!

Again?!

Shiver  
うず

Shiver

I'd like to  
get to  
fighting.

You ready?

To be sure.

Shiver

Wimper

I wanted  
to go out  
for cake in  
the town  
and have  
pyjama  
parties  
with you  
though.

I'm a  
monster,  
you know

step

I told you  
I wouldn't  
go easy  
on you  
next time

I thought  
you were  
just acting  
scary, and  
we were  
actually  
friends!

Nope!  
☆

Well, you  
know why  
we're  
enemies.

EH?  
Why?

L  
I don't  
want to  
die.

Bare it

Ehhh?!

Here  
we go!

I'll be  
dead!

It's  
looking  
this way  
like it  
wants  
to be  
friends--

Flock

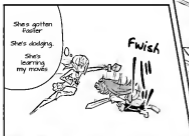

Ah, well,  
then, once  
we finish,  
go ahead  
and invite  
me

It's  
been  
then.

Waaagh!

She's  
learned  
she can't  
take any  
hits, so  
she's trying  
to dodge  
everything,  
but even  
so—

She's gotten  
faster.  
She's dodging.

She's  
learning  
my moves.

Fwish

Fwoah

Fwoah  
Fwoah

I can't  
dodge  
anymore!  
I have to  
attack!

This is  
a teach!

Being able to  
do this much  
at a single  
digit level.

Fwsh

Fwooom

Pleesh

I can't leave  
her alone,  
after all

POP

Fwoosh

Something very nice happened today.
